

# Winnipeg Public Library's HOME SERVICE

A free service for Winnipeg residents, Home Service provides home delivery of library materials to individuals who are unable to visit a library.

## How Home Service Works

Materials are selected by library staff based on a reading profile and the customer's requests. Delivery is by a screened volunteer once a month.

The volunteer picks up the bag of library material at the branch and delivers it to the Home Service customer's door. The volunteer then takes the bag of returns back to the library.

Home Service customers have access to a wide range of items including:

- Regular and large print books
- Audiobooks
- DAISY books (for those who qualify)
- Music CDs
- Movies (DVD, Blu-ray)
- Magazines

## Who is Home Service for?

Home Service is for individuals who are unable to visit a library due to a long-term illness or disability and who do not have someone to pick-up and return library materials on their behalf.
