

# Tour de WPL: A Group Bike Ride

Join our library group bike ride! If you are nervous about riding your bike in the city, want some safety tips and/or to explore a new route with others, this will be a fun ride! All levels of experience are welcome. Starting at Cornish Library the route will take you on bike trails and city streets as you make your way to Millennium Library and then to St. Boniface Library on a one-way tour.

In honour of Winnipeg's 150 anniversary, interesting stories from each library will be included in the tour. Participants are encouraged to provide their own helmets, dress for the weather and arrive on time. A waiver will be required to participate. For adults only.

*Rain date: Saturday, June 8*
