GOING TO KINDERGARTEN!

Starting school is an exciting event in your child's life. Kindergarten is a special place where learning and fun happen at the same time! You can help your child to prepare for this new experience by sharing stories about school. When you read books together, you and your child will discover many things to talk about.

Bring your family to the Library and check out some of these great books!

If a book is not available at your library, we can help you to place a request for a copy from another branch.
