CANADIAN LIBRARY MONTH

OCTOBER 2017

ON THE COVER: *Jennifer Still welcomes emerging and established writers of all genres for free consultations. See page 10 for details.*

From the Manager

October is Canadian Library Month! Libraries and library supporters across Canada will be raising awareness of the valuable role libraries play in the lives of Canadians. Join us in a national exchange of memories, moments and stories about libraries. This will be a cross-country conversation about how libraries are immersed in our communities and bring out the best in all of us. Share your memorable library moments in a few words, images or links this October (via Facebook, Twitter, etc) using **#LibraryMoments** or **#MomentsBiblio**, and tag us.

Tell us and the nation:

- What is your most vivid memory or meaningful library moment?
- Has the library been the scene of an important discovery or meeting in your life?
- How does the library fit into your own story?

We look forward to hearing from you!

- **Ed Cuddy, Manager of Library Services**

Transcona Library Sod-Turning

Photo courtesy of Canstar Community News

Construction for the new Transcona Library is underway. Mayor Brian Bowman and City Councillor Russ Wyatt officially broke ground on the new Transcona Library on June 26, 2017. The new 13,500 square-foot Library will be a one-floor, fully accessible facility with an outdoor reading area and will open in 2018.

Supporting our Libraries

Many thanks to the Winnipeg Public Library Board for their generous donation to the RESidents for READing (READ) program. The donation was used to purchase children's books to give away free to families referred through the READ program at Children's Hospital. Families attending the clinic receive a voucher from their physician for the free book along with literacy and library information.

Be a Waste Ace!

Once again we are partnering with Call2Recycle to compete to see which branch can collect the most weight in spent batteries, to earn the title of Winnipeg's "Waste Ace". Visit a branch of Winnipeg Public Library from October 16-29 and drop off household batteries (weighing less than 5 kg each) in the Call2Recycle boxes. Help raise awareness of recycling and keep batteries out of our landfills!

Volunteers Needed Tax Preparation

In March and April 2018, we will once again be hosting tax preparation clinics for people with a modest income and simple tax returns. Filing taxes annually is important - it ensures access to benefits for both individuals and families. If you are interested in volunteering with the Community Volunteer Income Tax Program, including those held at libraries, search for "CVITP" online and complete the online registration on the Canada Revenue Agency website starting in mid-October.

September:

Autumn Equinox with Roger V. Sutherland and Gino Mazzei

Roger V. Sutherland has painted wildlife and prairie landscapes for almost 30 years. He has experimented with painting on plywood, Masonite, paper and canvas using various methods of painting which evolved into his personal abstract style. Gino Mazzei runs MaGi art studio where he shows and teaches art. His work speaks on "magic-realism" with imagery gleaned from astrology, mythology, and the occult.

October: Gabriela Aguero

Gabriela Aguero was born in Córdoba, Argentina. She holds a BFA Honours from the University of Manitoba and an MFA from Louisiana State University. In the past she produced large mixed media figurative paintings on human rights, gender, technology and nature. Her recent work in photography and outdoor projections is an existential meditation about the artist as a channel and a myth maker.

Exhibit: Artbeat Studio

West End Library is hosting art from Artbeat alumni Monica Curry, Kailyn Pederson, Shena Alcock, and Laurie Green - now until October 13. Artbeat Studio is a non-profit registered charity committed to decreasing stigma and discrimination that coincide with mental illness and poverty through positive action, mental health education and advocacy.

The World Remembers

Across Canada, names will be displayed of those who lost their lives in WW1. Each name appears at a precise minute, nation-wide and online, allowing anyone anywhere in the world to find the exact moment when a lost relative will be recognized. This display comes to Millennium Library October 16-November 11. *Funded by the Winnipeg Public Library Board.*

Manifold Destiny: A History of Oil Pipelines in Canada

While oil pipelines have transmitted energy across the country for more than half a century, they have done so within the context of competing political and social power among different groups. Large multinational oil corporations, governments, settler farmers, Indigenous people, and urban consumers have long struggled over access to oil and the environmental effects of its transportation. As Canadians debate new proposals for oil pipelines, this lecture by Sean Kheraj offers historical context to better understand the place of pipelines today.

Saturday, September 23: 1-4 pm

Go to winnipeg.ca/library/HumanLibrary for the **Catalogue of Human Books** and updated **Schedule**.

What's a Human Library?

In a Human Library, people become the books and are 'borrowed' for conversation. The Human Books come from all backgrounds and ways of life, but they all have one thing in common: for different reasons they are often subjected to stereotyping or prejudice.

How does it work?

Browse the Catalogue of Books online or at the event. Then come to the Human Library event desk and choose a Book to borrow. Book and Reader meet at stations in the library for up to 30 minutes. All readers will receive a checkout receipt that includes questions to get you started and guidelines to follow for an engaging and respectful conversation. Bring your questions, curiosity and openness to talk, discuss and learn!

Can I reserve a Book?

Reservations can be made between September 18-20 by calling Millennium Library, Reader Services at 204-986-6779. Limit of 2 per customer. After September 20, Human Book appointments can only be made in-person at the event on a first-come, first-served basis.

The Essential Item to Add to Your “Back to School” List - a Library Card!

Summer fades into fall and the new school year brings the excitement of new beginnings. We make sure young students are well prepared with sharpened pencils, new notebooks, and we start to plan school lunches and after school activities. This is also the perfect time of year to make sure everyone in your family has a library card.

Signing up for a library card can be a first step toward academic achievement and lifelong learning. Start the reading habit early by visiting the library regularly, attending programs, and borrowing from our extensive collections. The more stories children hear read aloud, the more ready they will be to learn to read. Libraries have an abundance of picture books, information books, music, and movies. Check out to share at home and use them as jumping off points to talk, sing, read, write and play together!

Children *learn to read* and then *read to learn*. Curious, thoughtful, and empowered students need strong literacy skills to navigate successfully through the school years. Looking for some great book suggestions to get them started? Check out our booklists on the Parents and Caregivers LibGuide (guides.wpl.winnipeg.ca/parents/parentsandcaregivers/handouts) at winnipeg.ca/library, including:

- *I Love My Library!*
- *Going to Kindergarten!*

Borrow from any branch. Return to any branch.

Getting a Library Card

Library cards are free if you live in, or pay property or business taxes to, the City of Winnipeg. Sign up at any branch of Winnipeg Public Library and bring acceptable ID. First replacement card is free.

Your Account

Your library card number is also your account number.

Report lost or stolen cards to the library immediately. You are responsible for all activities on your card. Cardholders are responsible for lost or damaged items. See staff for details.

Log in to the Library Catalogue to see the items you have checked out, your requests and holds, and to pay your fines and fees online. Please provide us with your current phone number and email address. You are still responsible for holds, fees and overdue fines if the library cannot contact you.

Use only your own card to use library computers

Email and Notifications

Email has benefits! Ask staff to set your account to email notification instead of phone and we will send you a courtesy reminder 3 days before an item is due.

Requests/Holds

Can't find what you're looking for? Title already checked out? A request puts you on a waiting list for that item. You will be notified when the item is on hold for you and ready to pick up. Look for the Holds area in the library and check out the item at the staffed checkout counter or at the self-checkout stations.

You can place up to 50 requests at a time. Requests cannot be placed on: Reference, Local History Room, Express, Magazines and Preschool Packs.

Renewals

You can renew an item (borrow it for longer) when:

- Renewals are allowed on the item
- There are no requests
- You have not reached the maximum number of renewals allowed
- Your membership has not expired, and will not expire before the new due date

- Your unpaid balance is not over \$15.
- If an item cannot be renewed, a message will tell you why and the current due date will remain. To avoid overdue fines, renew your items before midnight on the due date.

You can access your account and renew items by:

- Logging in to the Library Catalogue online at winnipeg.ca/library
- Through the Library's **WPL To Go** app
- Calling our TeleMessaging service at 204-986-4657 (in Winnipeg) or 1-866-826-4454 (outside Winnipeg, toll-free)
- Asking staff in any branch.

Note: Online and TeleMessaging renewals may not be available Mondays and Wednesdays from midnight to 9 am for scheduled maintenance.

Borrowing Limits

You can borrow up to 50 items at a time (see exceptions for Limited, VIP and Corporate card holders).

There are limits on how many items you can borrow from each of these collections. Borrow up to a maximum each of:

- Books and Magazines: 50
- Music CDs and Audiobooks: 20
- DVDs: 10 adult and 10 children/teen
