**ON THE COVER:** Laren and Alex enjoy reading and exploring the library. Bring your family to Take Your Child to the Library Day and celebrate I Love to Read Month! See pages 17 & 18.

A happy customer getting their library card at our Check It Out! program.

## From the Manager

Way back in the early 1970s, my mother took me to Charleswood Library so that I could borrow Ray Bradbury books like *The Martian Chronicles* or *S is for Space*. I'm not much of a science fiction reader these days but those long ago library visits sparked a lifelong passion for books and reading. And I'm happy to say that my kids have picked up the habit, too.

I invite you to bring your family to **Take Your Child to the Library Day** on **Saturday February 3**. This is the third year that Winnipeg Public Library has celebrated *I Love to Read Month* with a fun-filled day of programs, performances and activities for the entire family. We hope your visit helps kindle a love of reading in your family!

- Ed Cuddy, Manager of Library Services

Jessie showcases her first work *Love Hath No Colour* – an installation of acrylic on canvas, exhibiting spiritual, comforting, majestic and peaceful images. ### Exhibit: Ukrainian Immigration Experiences

The exhibit *Journey to Canada: Ukrainian Immigration Experiences 1891-1900* features the early period of Ukrainians on the Canadian prairies. These settlers moved from a difficult life in Eastern Europe to the hope of a better life in Canada. In their new home, the Ukrainian settlers faced many hopes and fears, joys and sorrows. The exhibit chronicles experiences arriving in a new land, setting up temporary settlements and then constructing homes, churches and communities. This first wave of Ukrainian immigration is retold through photographs, documents and early narratives.

*This display is sponsored by the Ukrainian Canadian Congress – Manitoba Provincial Council and was created by the Kule Centre for Ukrainian Folklore at the University of Alberta. The exhibit runs January 5-February 15 on the fourth floor, Millennium Library.*

## Services for Customers with Print Disabilities

Do you have difficulty reading print? You may be eligible to access special collections and services, including DAISY audiobooks and readers. A DAISY (Digital Accessible Information SYstem) audiobook, together with a DAISY reader, allows you to read the audiobook as you would a print book: skip sections, use bookmarks, and regulate the speaking speed without distortion.

Only customers with print disabilities as defined in Section 32 of the Canadian Copyright Act can borrow DAISY books and readers. A print disability is defined as a:

- Learning disability: An impairment relating to comprehension.
- Physical disability: The inability to hold or manipulate a book.
- Visual disability: The severe or total impairment of sight or the inability to focus or move one's eyes.

Customers with print disabilities can register to have their account changed to Print Disability by completing a form (see Accessible Services at [winnipeg.ca/library](http://winnipeg.ca/library) or phone 204-986-6489). Customers with print disabilities can also access online services such as NNELS (National Network for Equitable Library Services) and CELA (Centre for Equitable Library Access). These services provide online access to books, magazines and newspapers in multiple formats such as DAISY audio, e-text and Braille. Content can be downloaded to your computer, DAISY reader or portable devices such as phones and tablets. Home delivery of DAISY audiobooks is available through CELA.

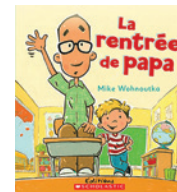

*Current customers with Print Disabilities (formerly "Print Handicapped"):* please note that your accounts will now expire every three years and that as of Monday January 1, 2018, exemptions to fines and fees will no longer apply (except for audiobooks).

## Kindergarten Card Campaign

The Library is working on a pilot project to see as many library cards placed in the hands of kindergarten students as possible as part of the Library's Strategic Plan goal to increase investment in early literacy skill development through partnerships.

Between January and August in Pembina Trails School Division, kindergarten students - including incoming students from the division's summer home visit program, Literacy Links - will receive library card applications and information on library resources to help families support their child's learning. Thank you to the Winnipeg Public Library Board for their generous funding to support this campaign.

Will your child be starting school this year? Download our *Going to Kindergarten* resource list of recommended picture books to introduce your child to school. Available at [winnipeg.ca/library](http://winnipeg.ca/library) under Info Guides - choose "Downloadables" under "Parents and Caregivers Info Guide".

## Your Account

Your library card number is also your account number.

Report lost or stolen cards to the library immediately. You are responsible for all activities on your card. Cardholders are responsible for lost or damaged items. See staff for details.

Log in to the Library Catalogue to see the items you have checked out, your requests and holds, and to pay your fines and fees online. Please provide us with your current phone number and email address. You are still responsible for holds, fees and overdue fines if the library cannot contact you.

Use only your own card to use library computers

## Email and Notifications

Email has benefits! Ask staff to set your account to email notification instead of phone and we will send you a courtesy reminder 3 days before an item is due.

## Requests/Holds

Can't find what you're looking for? Title already checked out? A request puts you on a waiting list for that item. You will be notified when the item is on hold for you and ready to pick up. Look for the Holds area in the library and check out the item at the staffed checkout counter or at the self-checkout stations.

You can place up to 50 requests at a time. Requests cannot be placed on: Reference, Local History Room, Express, Magazines and Preschool Packs.

## Renewals

You can renew an item (borrow it for longer) when:

- Renewals are allowed on the item
- There are no requests
- You have not reached the maximum number of renewals allowed
- Your membership has not expired, and will not expire before the new due date

- Your unpaid balance is not over \$15.
- If an item cannot be renewed, a message will tell you why and the current due date will remain. To avoid overdue fines, renew your items before midnight on the due date.

You can access your account and renew items by:

- Logging in to the Library Catalogue online at [winnipeg.ca/library](http://winnipeg.ca/library)
- Through the Library's **WPL To Go** app
- Calling our TeleMessaging service at 204-986-4657 (in Winnipeg) or 1-866-826-4454 (outside Winnipeg, toll-free)
- Asking staff in any branch.

**Note:** Online and TeleMessaging renewals may not be available Mondays and Wednesdays from midnight to 9 am for scheduled maintenance.

## Borrowing Limits

You can borrow up to 50 items at a time (see exceptions for Limited, VIP and Corporate card holders).
