asked the Riel Community Library Advisory Committee to consider providing funds for the Windsor Park Library opening event in January 2018. We also discussed whether the LAC should carry over funds or purchase gift cards to allow Library Services to purchase refreshments for the event. I've discussed this with Betty Parry, Admin Coordinator of Public Services & Collection Development and she has an interesting idea for the proposed LAC funds. We have worked with the Winnipeg Arts Council to design a book bag for Windsor Park that uses the public art in the library as an eye- catching image. I've attached a mock-up image (this is confidential until the design is finalized). Betty's idea is that we could ask the LAC to contribute their funds towards the purchase of several bags that we could give away during the opening week (using a ticket draw in the library).We originally asked for a refreshments contribution but our plans have changed in that regard. We anticipate having an invitation-only opening in the morning for elected officials, WPL Board, LAC, staff followed by the general opening in the afternoon. We think the book bags would be a better choice and we'd formally acknowledge the Riel LAC for their contribution.
