

Used Library Materials available for Non-Profit Agencies

Winnipeg Public Library offers used library materials free to non-profit agencies, including stewards of Little Free Libraries. These materials are unsold from the library's book sales and include adult, teen and children's books, magazines, audio-visuals materials, multilingual materials and large print books. They are in a range of conditions from fair to excellent. Materials are free with no restrictions on quantities selected or on their use.

All Libraries

Non-profit agencies may contact any branch of Winnipeg Public Library and arrange with the supervisor to select materials. Telephone numbers are listed on the Library's website winnipeg.ca/library, and in the *At The Library* newsletter.

- Non-profit agencies must provide their own boxes, bags, and transportation.
- Agencies will need to provide identification and fill out the **Non-Profit Donation Form** at each location.
- For more information, contact Irmay Nikkel at 204-986-6415 or inikkel@winnipeg.ca.
