

Four Directions - Many Teachings

The **Four Directions** of East, South, West and North carry many teachings. These teachings reflect the four seasons and the four stages of life: **childhood, adolescence, adulthood** and **Elder**. The **Four Directions** also give teachings about the four parts of human personality – the **physical, mental, emotional** and **spiritual** – and they show us how all peoples are connected.

Join the Library's **Aboriginal Elder-in-Residence Betson Prince** as he helps us learn all the **Four Directions** have to offer. There will also be a draw for audience members to win a Winnipeg Public Library book bag filled with great Aboriginal-themed reads!

St. John's Library

Saturday, May 14 at 2 p.m.
