

Tour de WPL: A Group Bike Ride

Nervous about riding your bike in the city? Want some safety tips and to explore a new route with others? Join a beginner bike ride! Starting at Cornish Library the route will take you on bike trails and city streets as you make your way to Millennium Library and then to St. Boniface Library on a one-way tour.

In honour of Winnipeg's 150 anniversary, interesting stories from each library will be included in the tour. Participants are encouraged to provide their own helmets, dress for the weather and arrive on time. A waiver will be required to participate. For adults only.

Rain date: Saturday, June 8
