From the Manager

I've been brushing up on library history by leafing through my copy of *More than Books: The History of the Winnipeg Public Library*. Winnipeg's first library branch, the William Avenue Library, opened on October 11, 1905. While this lovely, neo-classical building is no longer used as a library; the words "Free to All" are still visible, carved in stone above the main entrance.

Over the year, several Library renovation and renewal projects achieved major milestones: the new Windsor Park Library opened in March, the renovated St. Vital and Pembina Trail branches re-opened in May and September and the new Transcona Library will ring out 2018 when it opens later this year.

St. John's and Cornish Libraries are undergoing major renovations to improve accessibility – over 100 years after these venerable Carnegie buildings opened in 1915. Winnipeg Public Library's goal through all of these branch building projects is to provide the community with library space that is accessible, inclusive and free to all.

Email has benefits! Ask staff to set your account to email notification instead of phone and we will send you a courtesy reminder 3 days before an item is due.

Requests/Holds

Can't find what you're looking for? Title already checked out? A request puts you on a waiting list for that item. You will be notified when the item is on hold for you and ready to pick up. Look for the Holds area in the library and check out the item at the staffed checkout counter or at the self-checkout stations.

You can place up to 50 requests at a time. Requests cannot be placed on: Reference, Local History Room, Express, Magazines and Preschool Packs.

Renewals

You can renew an item (borrow it for longer) when:

- Renewals are allowed on the item
- There are no requests
- You have not reached the maximum number of renewals allowed
- Your membership has not expired, and will not expire before the new due date

- Your unpaid balance is not over \$15.
- If an item cannot be renewed, a message will tell you why and the current due date will remain. To avoid overdue fines, renew your items before midnight on the due date.

You can access your account and renew items by:

- Logging in to the Library Catalogue online at winnipeg.ca/library
- Through the Winnipeg Public Library app
- Calling our TeleMessaging service at 204-986-4657 (in Winnipeg) or 1-866-826-4454 (outside Winnipeg, toll-free)
- Asking staff in any branch.

Note: Online and TeleMessaging renewals may not be available Mondays and Wednesdays from midnight to 9 am for scheduled maintenance.
