The new Transcona Library

From the Manager

Winnipeg Public Library strives to keep all our spaces safe, welcoming and open for everyone. The new screening measures at Millennium Library have sparked a public debate on the important issues of safety, privacy, accessibility and the need for services for vulnerable populations.

The Standing Policy Committee on Protection, Community Services and Parks has asked the Public Service to consider alternatives to making people safe, including an examination of best practices in Winnipeg and other Canadian cities, and to report back verbally in 60 days (late May) and in writing in 120 days (approx. September). The reports will make recommendations on how to keep Millennium Library safe and welcoming and will include input from the community. Feedback is also welcomed ongoing by connecting with the library through winnipeg.ca/library, by phone or in person.

• **Ed Cuddy, Manager of Library Services**

ON THE COVER: Join Sonya Ballantyne for a special Story Time with her book Kerri Berry Lynn. See page 21.

St. John's Library Opening Soon

St. John's Library, 500 Salter St. will re-open in early summer. Rukhsana Khan is an award-winning author and storyteller. She was born in Lahore, Pakistan and immigrated to Canada at the age of three. She grew up in a small town in Ontario and was bullied - she turned to books and became hopelessly addicted to the written word! When a teacher told her she was a writer, she thought that was impossible - writers were white people from England and America. She graduated from college as a biological-chemical technician instead. When she couldn't get a job in the field she decided to be 'unsensible' and become a writer. Now she has thirteen books published (one of which was chosen by the New York Public Library as one of the 100 greatest children's books in the last 100 years).

Your library card number is also your account number.

Report lost or stolen cards to the library immediately. You are responsible for all activities on your card. Cardholders are responsible for lost or damaged items. See staff for details.

Log in to the Library Catalogue to see the items you have checked out, your requests and holds, and to pay your fines and fees online. Please provide us with your current phone number and email address. You are still responsible for holds, fees and overdue fines if the library cannot contact you.

Use only your own card to use library computers

Email and Notifications

Email has benefits! Ask staff to set your account to email notification instead of phone and we will send you a courtesy reminder 3 days before an item is due.

We our Members

Sign up for our News & Events email list to stay up to date on the library at winnipeg.ca/library.

Requests/Holds

Can't find what you're looking for? Title already checked out? A request puts you on a waiting list for that item. You will be notified when the item is on hold for you and ready to pick up. Look for the Holds area in the library and check out the item at the staffed checkout counter or at the self-checkout stations.

You can place up to 50 requests at a time. Requests cannot be placed on: Reference, Local History Room, Express, Magazines and Preschool Packs.
