SPOTLIGHT ON: ACCESSIBLE SERVICES

The library offers something for everyone and for all abilities. Accessible services are offered through a variety of ways to strive for equity in service - special formats, technologies and accessible facilities. Closed-captioned DVDs, adapted books using Picture Communication Symbols, children's books in Braille, audiobooks and large print books are all available for borrowing.

Home Service serves individuals who cannot access a library and have no one to access one on their behalf. Assistive technology such as text enlargers and computers with screen reader software are available for booking. Sensory Story Time, Sign-a-Story and sign language interpretation service on request broaden access to programs.

Library customers with print disability can also access digital collections on NNELS (National Network for Equitable Library Service), CELA (Centre for Equitable Library Access) and to borrow DAISY books and DAISY readers.

Learn more about the library’s accessible services at [winnipeg.ca/library] (Our Services -> Accessible Services) or call Millennium Library’s Special Services at 204-986-6489.
Print Disability Services
Do you have a print disability, or know someone who does? Individuals who are unable to read traditional print due to a visual, physical or learning disability can add Print Disability status to their library membership and access services such as:

- DAISY books and readers
- NNELS: an online library of books in accessible formats, including DAISY, PDF and e-text
- CELA: reading material in accessible formats (e-text, Braille, audio and more)

Learn more about these services on the Accessible Services page at [winnipeg.ca/library], call 204-986-6489, or ask staff at any branch.

EXCITING CHANGES ARE COMING!

The Friends of the Winnipeg Public Library is evolving to serve the needs of our community. As a volunteer-led fundraising organization, we must be nimble and strategic to achieve our goals. We have a revitalized board of directors with fresh perspectives and the energy to transform our organization.

Our events and programs and the people involved with them are also changing. Billie Stewart, who has done a tremendous job of organizing the annual Friends Book Sale, is retiring from her leadership role. The Book Sale will continue as it is an integral fundraiser for the Friends’ organization.

We will not be hosting Books & Brunch in 2020. We have appreciated your support during the last fifteen years. Planning is ongoing to develop events that will align with our values of being community focused, committed to literacy and learning. Stay tuned!

Our members, attendees and volunteers are at the core of our events. Thank you for supporting us over the years. We look forward to seeing you at our upcoming events.

To learn more or to get involved, contact us at info@friendswpl.ca or leave a message at 204-488-3217.
