The photo stories help visually guide the learner through common experiences of the library. The activities help reinforce vocabulary and encourage familiarity with library resources.

Each module presents a new topic to expand library knowledge, vocabulary and reading, writing, and speaking skills. Supplementary handouts and guides are also available for classroom and individual use. All materials are available in .pdf at winnipeg.ca/library.

Please note that library fines, fees and hours are subject to change. Content will be updated periodically to reflect changes to library hours, fees and collections. Visit the Library’s website at winnipeg.ca/library for up to date information on the library.
