

MUSICAL INSTRUMENT DONATIONS

We're kicking off a musical instrument donation drive to add to the collection of instruments donated by Sun Life. Donated instruments will be added to the Sun Life Musical Instrument Lending Library.

When can I donate instruments?

We are accepting instruments starting Friday, October 4, 2019.

Where can I donate my instrument?

There are two locations where you can donate a new or gently-used musical instrument:

Millennium Library

251 Donald Street

Winnipeg, Manitoba, R3C 3P5

Phone: 204-986-5543

Mon-Thur: 10 am–9 pm

Fri-Sat: 10 am–6 pm

Sun: 1 pm–5 pm

Long & McQuade

1845 Pembina Highway

Winnipeg, Manitoba, R3T 2G6

Phone: 204-284-8992

Mon-Fri: 10 am–8 pm

Sat: 10 am–6 pm

Sun: 12 pm–5 pm

What kinds of instruments are accepted?

We accept guitars, stringed instruments, keyboards, and percussion instruments.

What kinds of instruments cannot be accepted?

Brass and wind instruments are not currently being accepted. The library reserves the right to determine what can be added to the collection.

What does “gently used” mean?

Gently used means that the instrument is still in good working condition. It may show signs of being used (paint wearing off, guitar strings broken, etc.), but is still fully functional.

How will instruments be cleaned and maintained?

Each instrument is properly inspected and cleaned before it is made available to the public.

Will I get a tax receipt for my donation?

Unfortunately, we are not able to offer tax receipts as part of this campaign.

What if I don't have an instrument to donate, but would like to make a financial contribution?

We will gladly accept financial contributions to the Sun Life Musical Instrument Lending Library Program. If you would like to donate funds to support this program, please visit the Library's Donations Page {[library/contactus/donations.asp](#)}. Thank you!

Who is involved in this project?

Sun Life, Long & McQuade and Winnipeg Public Library are working together on this donation drive for the Sun Life Musical Instrument Lending Library.

What if I have more questions about the donation drive?
