

Read-Aloud Club

Do you love audiobooks, but wish they were a little more interactive? Do you long to improve your public speaking skills? Join the Read-Aloud Club to share a favourite story or short reading in a friendly setting. Bring your own reading or choose from one of our short stories or poems. Those attending only to listen are welcome too!

Each month's theme can loosely apply - to the author, title, a character, plot, even your relationship with the text. If you think it fits the theme, it fits the theme!
