GG, Gamers: Code Your Own Video Game
Create something amazing with LittleBits! These little electrical components include blinking lights to moving motors with which the possibilities are endless. Code a game with code kits during this workshop. Presented by WISE Kid-Netic Energy. 2.5 hours.

Graffiti Writing Workshop
Use bold lines, vibrant colours, and gestural mark making to channel creativity, self-expression, and energy in a positive artistic direction. Focusing on structure, line, and colour and starting from a word of your choosing, create your own graffiti piece on paper with pen and marker. Presented by Graffiti Gallery. 90 minutes.

Hidden Poetry
Creating “hidden” poetry involves blacking out most of the words on a page of a book, magazine or newspaper so that the remaining words become your poem. 90 minutes.

Making Macramé
Try the art of macramé! You’ll learn the basic knots used in macramé then create your own unique project. 90 minutes.

Micro:Bits of Coding
Try out coding using a Micro:bit. Learn to code games and a musical instrument of your own creation using these pocket-sized computers! No prior knowledge of coding required. Presented by WISE Kid-Netic Energy. 2.5 hours.

Stranger Things Escape Room
Vecna is hunting one of your classmates through the Upside Down. Complete the challenges in this escape room to save them! (No knowledge of Stranger Things required to solve the challenges.) 60 minutes.

Paint It
Learn basic painting techniques to express your creativity on a small canvas with a themed project. 90 minutes.

Teen Comics Workshop
Learn strategies from local artists to create your own comics in these workshops led by Sonya Ballantyne or GMB Chomichuk. 90 minutes.
Teen Summer Challenge Card
Grades 7-12. For each challenge you complete, receive one ballot from library staff to enter a prize draw! Pick up your bilingual Challenge Card at any branch or find it on the website.
