

A Walking Tour of **BRUCE PARK**

While Winnipeg is celebrating 150 years, the City of St. James-Assiniboia only joined the municipality in 1972! This summer, take a guided walking tour of Bruce Park and learn about the neighbourhood's history. You'll also explore the park's significance as an inspiration to Group of Seven artist Lionel LeMoine FitzGerald. Offered in partnership with the Historical Museum of St. James-Assiniboia.
