

Science Programs for Teens

Presented by WISE Kid-Netic Energy. Grades 7-12. 60 minutes.

H2O Science

Learn about different water sources and issues affecting water quality. Then become water treatment specialists by purifying and testing water samples using real-life techniques, like filtration, pH testing and UV disinfection.

St. Vital Library

6 Fermor Ave.
Wednesday, July 24: 10:15 a.m.

St. James-Assiniboia Library

1910 Portage Ave.
Friday, July 26: 10:15 a.m.

Free. To register, scan the QR code, or visit winnipeg.ca/library

DNA Detection

Learn about what determines the identity of each cell: DNA. Then have the opportunity to extract real DNA.

Munroe Library

489 London St.
Friday, July 26: 10:15 a.m.

Free. To register, scan the QR code, or visit winnipeg.ca/library
