

Tour de WPL: A Group Bike Ride

Explore a new route with our group bike ride! All levels of experience are welcome. Starting at the Windsor Park Library, the route will follow neighbourhood streets and multi-use paths to the St. Vital Library (6 Fermor Ave). From there, we will head towards the Elm Park Bridge and continue through the Lord Roberts neighbourhood, finishing the ride at the Osborne Library (625 Osborne St). In honour of Winnipeg's 150 anniversary, interesting stories from each library will be included in the tour.

*A waiver will be required to participate.
