

# Maker-in-Residence:

## Drawing for Beginners Workshop

*Be inspired to create with  
Maker-in-Residence Callen Maude!*

In this fun and relaxed workshop, you will play drawing games, learn techniques to tap into the creative right brain, and practice improving linework. For those who have never drawn before or are looking to refresh their skills, this class is designed for you to enjoy the process. By learning how to observe and replicate lines, participants will discover useful tricks to engage the right brain for enhanced artistic expression.

This program is suitable for beginners.  
All supplies provided for use during the workshop.
