

The Case of the Mysterious Professor [®]

You have been contacted by a professor who claims that he can solve some of the world's strangest mysteries. Are these claims fact or fake? Your investigation will include working as part of a team to decipher a coded message, analyze ink samples and more. 60 minutes.

Codemakers [®]

Come join us to learn the basics of coding! Use logic and drag and drop programming to play with Dash robots controlled by tablets. Presented by WISE Kid-Netic Energy. 60 minutes.

Comic Creation with GMB Chomichuk [®]

Learn strategies from local artists to create your own comics in these workshops led by GMB Chomichuk. 90 minutes.

Comic Creation with Sonya Ballantyne [®]

Learn strategies from local artists to create your own comics in these workshops led by Sonya Ballantyne. 60 minutes.

Manitoba Safari [®]

Ever wonder what's in an owl's breakfast? Find out by doing an owl pellet dissection. Then learn more about Manitoba's flora through a leaf identification activity and an Indigenous medicinal plants activity. Presented by WISE Kid-Netic Energy. 60 minutes.

Page Turners Tween Book Club [®]

Have fun, meet new friends, and talk about some awesome books. 60 minutes.

FOR YOUR CHILD'S SAFETY

- For children ages 11 and younger, a parent or caregiver must remain in the library during the program.
- Children are not supervised by library staff outside of the program space.
- In the absence of a parent or caregiver, library staff does not assume responsibility for a child.
- Children of all abilities are welcome to attend library programs. If a child requires the support of a parent or caregiver to participate in a program, please speak with staff.
- The programs in this brochure are for children ages 9-12. Children attend on their own.

For programs in French visit the Programs & Events calendar.

For more information about the TD Summer Reading Club at Winnipeg Public Library visit the *Kids' Summer Reading Club Info Guide* at guides.wpl.winnipeg.ca/tdsummerreadingclub

Winnipeg Public Library

School Age

Programs

Ages 9-12

Summer 2023

Keep kids reading, learning, and having fun all summer.

July and August

Registration begins June 12.

Free. Phone, visit or go online at winnipeg.ca/library to register.

Peculiar Plants [®]

Think plants are boring? Think again! Learn strange and unusual plant facts, guess if you can spot when plants and animals mimic each other, and then create your own peculiar plant. 60 minutes.

READesign: Engineer a Solution [®]

Read *Tess Makes a Mess* by Jennifer Ladipo and work as a team to identify problems that the characters face in the book. Then brainstorm and design a solution. Presented by BrainSTEM Alliance. 90 minutes.

Ultimate Building Challenge [®]

Face a series of challenges to design and build structures that nearly defy gravity. Use simple materials like newspaper, paper cups, and KEVA® planks. 60 minutes.

Weird But True [®]

Did you know that you use 200 muscles to take one step, most kangaroos are left-handed, and that apples float but pears sink? Learn more weird but true facts, then try to beat the clock playing some weird but fun games. 60 minutes.

Wilderness Survival [®]

Are you prepared for adventure? This program will teach teamwork, knowledge and basic skills around wilderness survival. Stay found, and know what to do if you get lost in the woods. Presented by Fort Whyte Alive. 60 minutes.

These programs are for children ages 9-12.
