

# DNA and Genealogy

Join Genealogist Elizabeth Briggs online to gain a basic understanding of what DNA testing is, in easy-to-understand language. Learn about genes and chromosomes, the kinds of DNA tests that are available, what they can and cannot tell you, how they can help you find living relatives today, and how far back you might be able to trace your family.

## Online event

Monday, April 29: 5:30-7:30 p.m.

Free. Phone, visit or go online at ***winnipeg.ca/library*** to register. A Zoom link to attend will be sent when you register.

Scan the QR code to find out more.
