

# Mushroom Cultivation

Join small scale mushroom cultivation expert Tom Nagy of River City Mushrooms as he introduces you to the world of homegrown gourmet and medicinal mushrooms.

Hassle-free, low-skill techniques will be highlighted as a way for beginners to experience mushroom cultivation, without having to invest in any sophisticated equipment or learn advanced techniques.

## Bill and Helen Norrie Library

15 Poseidon Bay

Thursday, April 9: 6-7:30 p.m.

Tom Nagy of River City Mushrooms is a restoration ecologist with a passion for botany and mycology who has worked as an organic farmer, field botanist, and environmental consultant.
