

COMICS TOGETHER

with Natalie Mark

In this workshop, we'll be coming up with ideas on the spot, breaking them down, and turning them into a collaborative storyboard together! Natalie will share storytelling techniques from their niche crossroads of teaching, improv, and comics to help you tell stories where...anything could happen! Together, we'll push some ink around and let ourselves be playful and silly. Beginner friendly, all skills welcome! Ages 9-12. 90 minutes
