

COMPUTERS FOR SENIORS

Empower yourself through digital literacy! This computer class series is for seniors with no prior computer experience. During 12 classes you will learn how to:

- Use a laptop, keyboard, and mouse
- Find information online safely
- Protect yourself from scams
- Send and receive email
- Complete online forms
- Shop and bank online
- Plan trips and use map navigation tools
- Connect safely with others using social media
- Learn about Zoom and messaging/texting apps
- Enjoy music, movies, and hobbies online and so much more!

A CLB of 5 and above is recommended for participants with English as an Additional Language.

Offered in partnership with Altered Minds Inc. Participants will be contacted by Altered Minds to confirm skill level and language requirements. If the program is full, please contact the partner here to be added to a waitlist for future sessions.

Participants who complete the course will receive a certificate of completion and are eligible for a free refurbished computer.

Participants are expected to attend all classes. Please cancel your registration in advance if you are unable to attend. No-show registrants may be denied spots in future workshops.
