

# Crossing the Border:

## What to Know About Travelling to the US

Planning a trip to the United States? This informative presentation explores what Canadians need to know when travelling across the Canada–U.S. border, including recent executive orders that may affect entry requirements.

Learn about alien registration and biometric measures, mobile device searches, and how criminal convictions can impact your ability to cross. The session will also explain the process for applying for a waiver of inadmissibility and outline key differences between land and air crossings, helping you travel with confidence and clarity.

**St. Vital Library**  
**6 Fermor Ave.**

Monday, April 27  
6:30-7:30 p.m.
