

# EARTH WEEK

## at the Library

**APRIL 20 – 27, 2025**

### **Bike Repair Pop-up**

Get ready to ride! Drop in to our outdoor bike station staffed with bike mechanics from THE WRENCH for a basic assessment, adjustments and/or minor repairs to your bike.

**Cornish Library** Tuesday, April 22: 5-7:45 p.m.

### **Rag Rugs <sup>R</sup>**

In this fun and practical workshop, learn how to turn fabric scraps into a beautiful rug! Bring at least three fabric items such as rags, t-shirts, jeans, bedsheets, or curtains, and learn how to give these items a new life. Presented in partnership with the Green Action Centre.

**Charleswood Library** Tuesday, April 22: 6-7:45 p.m.

### **Zero-waste DIY Cleaning Basics <sup>R</sup>**

Have you made your own glass cleaner before? In this workshop, join Marisa Loreno to learn about using simple ingredients for cleaning – an endeavour that will benefit your personal budget while diverting plastic from the landfill. You will make your own all-purpose cleaner to take home!

*Marisa Loreno has been practicing a low waste lifestyle for many years and is the owner of Refill Market.*

**Louis Riel Library** Tuesday, April 22: 6:30-7:30 p.m.

### **Recycling Myths <sup>R</sup>**

Did you know that you can't recycle paper coffee cups? Or that you need to empty containers before recycling? Learn what actually goes in your recycling cart or bin and where you can take other items to keep them out of the landfill.

Presented by City of Winnipeg, Recycling and Garbage Services.

A link will be sent after registration.

**Online** Thursday, April 24: 1-2 p.m.

### **2040 <sup>R</sup>**

The film 2040 follows Damon Gameau as he imagines a future for his four-year-old daughter where climate change has been solved. Gameau travels around the world investigating solutions to climate change that are already available or have a realistic potential to reverse climate change by the year 2040.

**Bill and Helen Norrie Library** Thursday, April 24: 6-7:45 p.m.

### **Buy Less, Fix More, Trade Often <sup>R</sup>**

Learn how to buy less, fix more, and trade often! Join us for this informative workshop with tips on saving money and diverting waste from the landfill. Presented in partnership with the Green Action Centre.

**Fort Garry Library** Thursday, April 24: 6:30-7:30 p.m.

### **Save the Planet Without Sacrificing Your Sanity <sup>R</sup>**

The constant news of climate change and environmental destruction amidst our daily stressors can make us feel anxious, guilty, and like our daily life doesn't align with our values. Come and learn about the tools to feel energized through purposeful action that fits into your life. We'll make a plan so you can feel hopeful for the future and confident that you are making a difference!

**Henderson Library** Thursday, April 24: 6:30-7:30 p.m.

*Kristina Hunter has spent over 25 years educating and helping individuals, governments and organizations become more environmentally sustainable and socially just. She has taught courses on environmental issues, green buildings, managing for sustainable development, and environment & health at the post-secondary level.*

### **<sup>R</sup> Registration Required**

Free. To register, phone, visit a branch, scan the QR code, or visit **winnipeg.ca/library**
