Passions into Prose: Teen Writing Workshop with Nora Decter

In this workshop, we'll consider our personal strengths, obsessions, and interests and turn them into inspiration for our writing. That video game you love? It can inspire a short story. Your skill at dance can be transformed into a poem. Your bond with a pet can become a personal essay.

Join award-winning YA author and 2024-2025 Writer-in-Residence Nora Decter for this workshop for teens on how to find ideas for your writing in the things you are already an "expert" in. Come prepared to write! Ages 13-17. Registration Required.
