

# Spring break

at Winnipeg Public Library

## Science Programs for Kids

Presented by WISE Kid-Netic Energy. Registration required.

### Codemakers Jr.

Have you heard of coding and wondered what it was all about? This workshop will introduce coding concepts through "unplugged" physical activity and a programmable mouse game. Ages 6-8.

#### Munroe Library

Tuesday, April 1: 6:30-7:30 p.m.

#### Fort Garry Library

Wednesday, April 2: 10:30-11:30 a.m.

#### Windsor Park Library

Saturday, April 5: 2-3 p.m.

### Super Structures

Learn about different types of traditional Indigenous Structures, as well as about forces, stability and strength. Then design your own structure. Ages 9-12.

#### Sir William Stephenson Library

Wednesday, April 2: 2-3 p.m.

#### St. John's Library

Friday, April 4: 2-3 p.m.

### Science on the Run

Learn about polymer chemistry through a series of exciting experiments that show off different chemical changes such as heat, color change and surface tension. Then create a bouncy ball and mix a creepy cool alien egg. Ages 9-12.

#### St. James-Assiniboia Library

Friday, April 4: 10:30-11:30 a.m.

Free. Registration begins on Monday, February 24. Phone, visit or go online at [winnipeg.ca/library](http://winnipeg.ca/library) to register.

*Many thanks to the Friends of the Winnipeg Public Library for their support of Spring Break programming.*
