

# spring break

at Winnipeg Public Library

## Science Programs for Teens

Presented by WISE Kid-Netic Energy. Ages 13-17. Registration required.

### H2O Science

Learn about different water sources and issues affecting water quality. Then become water treatment specialists by purifying and testing water samples using real-life techniques, like filtration, pH testing and UV disinfection.

#### West Kildonan Library

Thursday, April 3: 2-3 p.m.

### DNA Detection

Learn about what determines the identity of each cell: DNA. Then have the opportunity to extract real DNA.

#### Charleswood Library

Thursday, April 3: 6:30-7:30 p.m.

Free. Registration begins on Monday, February 24. Phone, visit or go online at [winnipeg.ca/library](http://winnipeg.ca/library) to register.

*Many thanks to the Friends of the Winnipeg Public Library for their support of Spring Break programming.*
