

Warm Hands, Warm Hearts: Community Mitt Making

Come make mittens for the community with us! Although it's warm now, winter is around the corner. Over two days, make warm mitts for those in need using re-purposed clothing with leather artist Sheila Cailleau. Participants should attend both July 22 & July 29 to complete the project. All supplies are provided.

Mittens will be donated to an agency for community members in need. If you need the mitts for yourself, that's okay too - let staff know on the first day.

ideaMILL, Millennium Library

251 Donald St.

July 22 & 29: 1:30-4 p.m.

Free. To register, scan the QR code, or visit winnipeg.ca/library
