

Computers for Life Computer Classes

Empower yourself through digital literacy.
Gain introductory computer skills and learn to:

- use the keyboard and mouse
- create and organize documents in folders
- find information online and recognize scams
- translate between English and another language
- use maps to plan a trip
- send and receive emails
- set up a computer and connect to the Internet

The session is eight classes starting Tuesday, May 6 through to Thursday, May 29 from 1-4 p.m. A CLB of 5 and above is recommended for participants with English as an Additional Language.

Participants who complete the course will receive a certificate of completion and are eligible for a free refurbished computer.

Participants are expected to attend all classes.

Classes are presented in partnership with Altered Minds Inc.
