

# Flexagon Workshop

with Maker-in-Residence,  
Cato Cormier

Learn how to make an illustrated flexagon or “infinity card”: a folded and assembled set of paper rectangles that create a unique, magical art object. Using painting and drawing, adorn your flexagon with personalized illustrations and watch a colourful story unfold! *All supplies provided.*

## Transcona Library

1 Transcona Blvd.

Tuesday, June 16: 5:30-7:30 p.m.

Free. To register, scan the QR code, phone, visit, or go online at [winnipeg.ca/library](http://winnipeg.ca/library)
