

Maker-in-Residence

Cato Cormier

Hand-Drawn Animation Loop

Join Maker-in-Residence Cato Cormier for an introduction to hand-drawn animation. Learn simple animation techniques and make your own 9-frame animation loop by hand. Frames will be scanned and turned into a digital animations. The animations will be viewed together at the end of the workshop and then emailed to you. No experience necessary. All supplies provided. Ages 13-17.

Charleswood Library

6-4910 Roblin Blvd.
