

# From Treaties to Today:

*The Top Five Indigenous Issues & Solutions in Manitoba*

It is a fascinating time, when a burgeoning Indigenous youth population, an Indigenous premier, and everyday Canadians are joining together with Indigenous communities to create visions never seen before. Manitoba is ground zero for Canada's most pressing issues, and solutions are appearing before our eyes.

Spend time with Niigaan Sinclair, one of Canada's leading voices on Indigenous issues, and create a solution yourself, too.
