Group Bike Ride

Explore a new route with our group bike ride! All levels of experience are welcome. Starting at St. Vital Library (6 Fermor Ave.) the route will take you on bike trails and city streets as you make your way to Bill and Helen Norrie Library (15 Poseidon Bay) on a one-way tour. We will take brief breaks to share interesting stories about these neighbourhoods and their libraries.

Participants are encouraged to provide their own helmets, dress for the weather and arrive on time.

A waiver will be required to participate. For adults only.
