

# Sound Connections:

## *A Music Listening Club*

Meet with fellow music lovers to discuss songs related to a theme each month. Samples or extended plays will be used to generate discussion. Contact Mike at [mhayden@winnipeg.ca](mailto:mhayden@winnipeg.ca) in advance with your selection so a playlist can be prepared for group listening. Bring your ideas about what draws you to this piece of music and discover new favourites through others' selections. Be prepared to engage with music that may not be "your jam"!

**Theme: What is your favourite song?**
