

# Thomas Waugh:

## *Writing in the Flesh*

Join us for an evening of conversation and movie clips with Thomas Waugh, retired and renowned Concordia University film and sexuality scholar. Thomas will be reading from his memoir, *Writing in the Flesh: Essays on My Lives, My Bodies, My Families, My Place, My Movies*. Gain a deeper understanding of the Canadian queer cinema scene — as well as the baby boomer experience of coming-of-age and coming-out — in this celebration of queer lives and relationships.
