

## **Maskosis: Cree Story Time with Sonya and Bruce Ballantyne**

*Maskosis* means “little bear” in Plains Cree. This was author Sonya Ballantyne’s little sister’s nickname when they were growing up. Sonya’s book “*Kerri Berry Lynn*” is about a 4-year-old Cree girl and her seven doggie sisters and brothers. When they encounter a mean dog, the small family realizes the dog may just need some love. Based on a true story about Sonya’s sister! Drop in. For families.

*Join Sonya and Bruce Ballantyne for a reading of Sonya’s book “Kerri Berry Lynn”, learn some Cree words, and hear why Sonya wanted to create a young Cree (s)hero.*
