

Apply to be a Maker-in-Residence

Winnipeg Public Library is seeking applications for its next Maker-in-Residence.

The Maker-in-Residence (MiR) program connects library visitors with makers who have skills in visual/creative arts, technology, and/or digital media using tools available at Millennium Library's ideaMILL makerspace.

Makers-in-Residence should be passionate about making/creating, skilled in teaching and mentoring, and excited to work with people of all backgrounds and abilities.

Interested makers must apply online.
Deadline to apply is **Monday, November 17, 2025**.

Applications are open for the next three terms during 2026.
Each term is 15 weeks.

Term 1: late January – early May

Term 2: mid-May – late August

Term 3: early September – mid-December
