

Ojibwe Storytelling Evening

Winter is the season for storytelling!

Join us for an evening of traditional Ojibwe storytelling with Knowledge Keeper Tyrel Bruyere. Tyrel will share Creation Stories from his tradition. Please note that due to the details of these stories, this program is for adults only.

Tyrel is a Knowledge Keeper from Northwestern Ontario, and he is currently living here in Winnipeg. He has been learning Traditional Indigenous Stories for years and has always enjoyed the opportunity to share them with others.
