**EXISTING ENTRANCE STAIR & RAMP** 

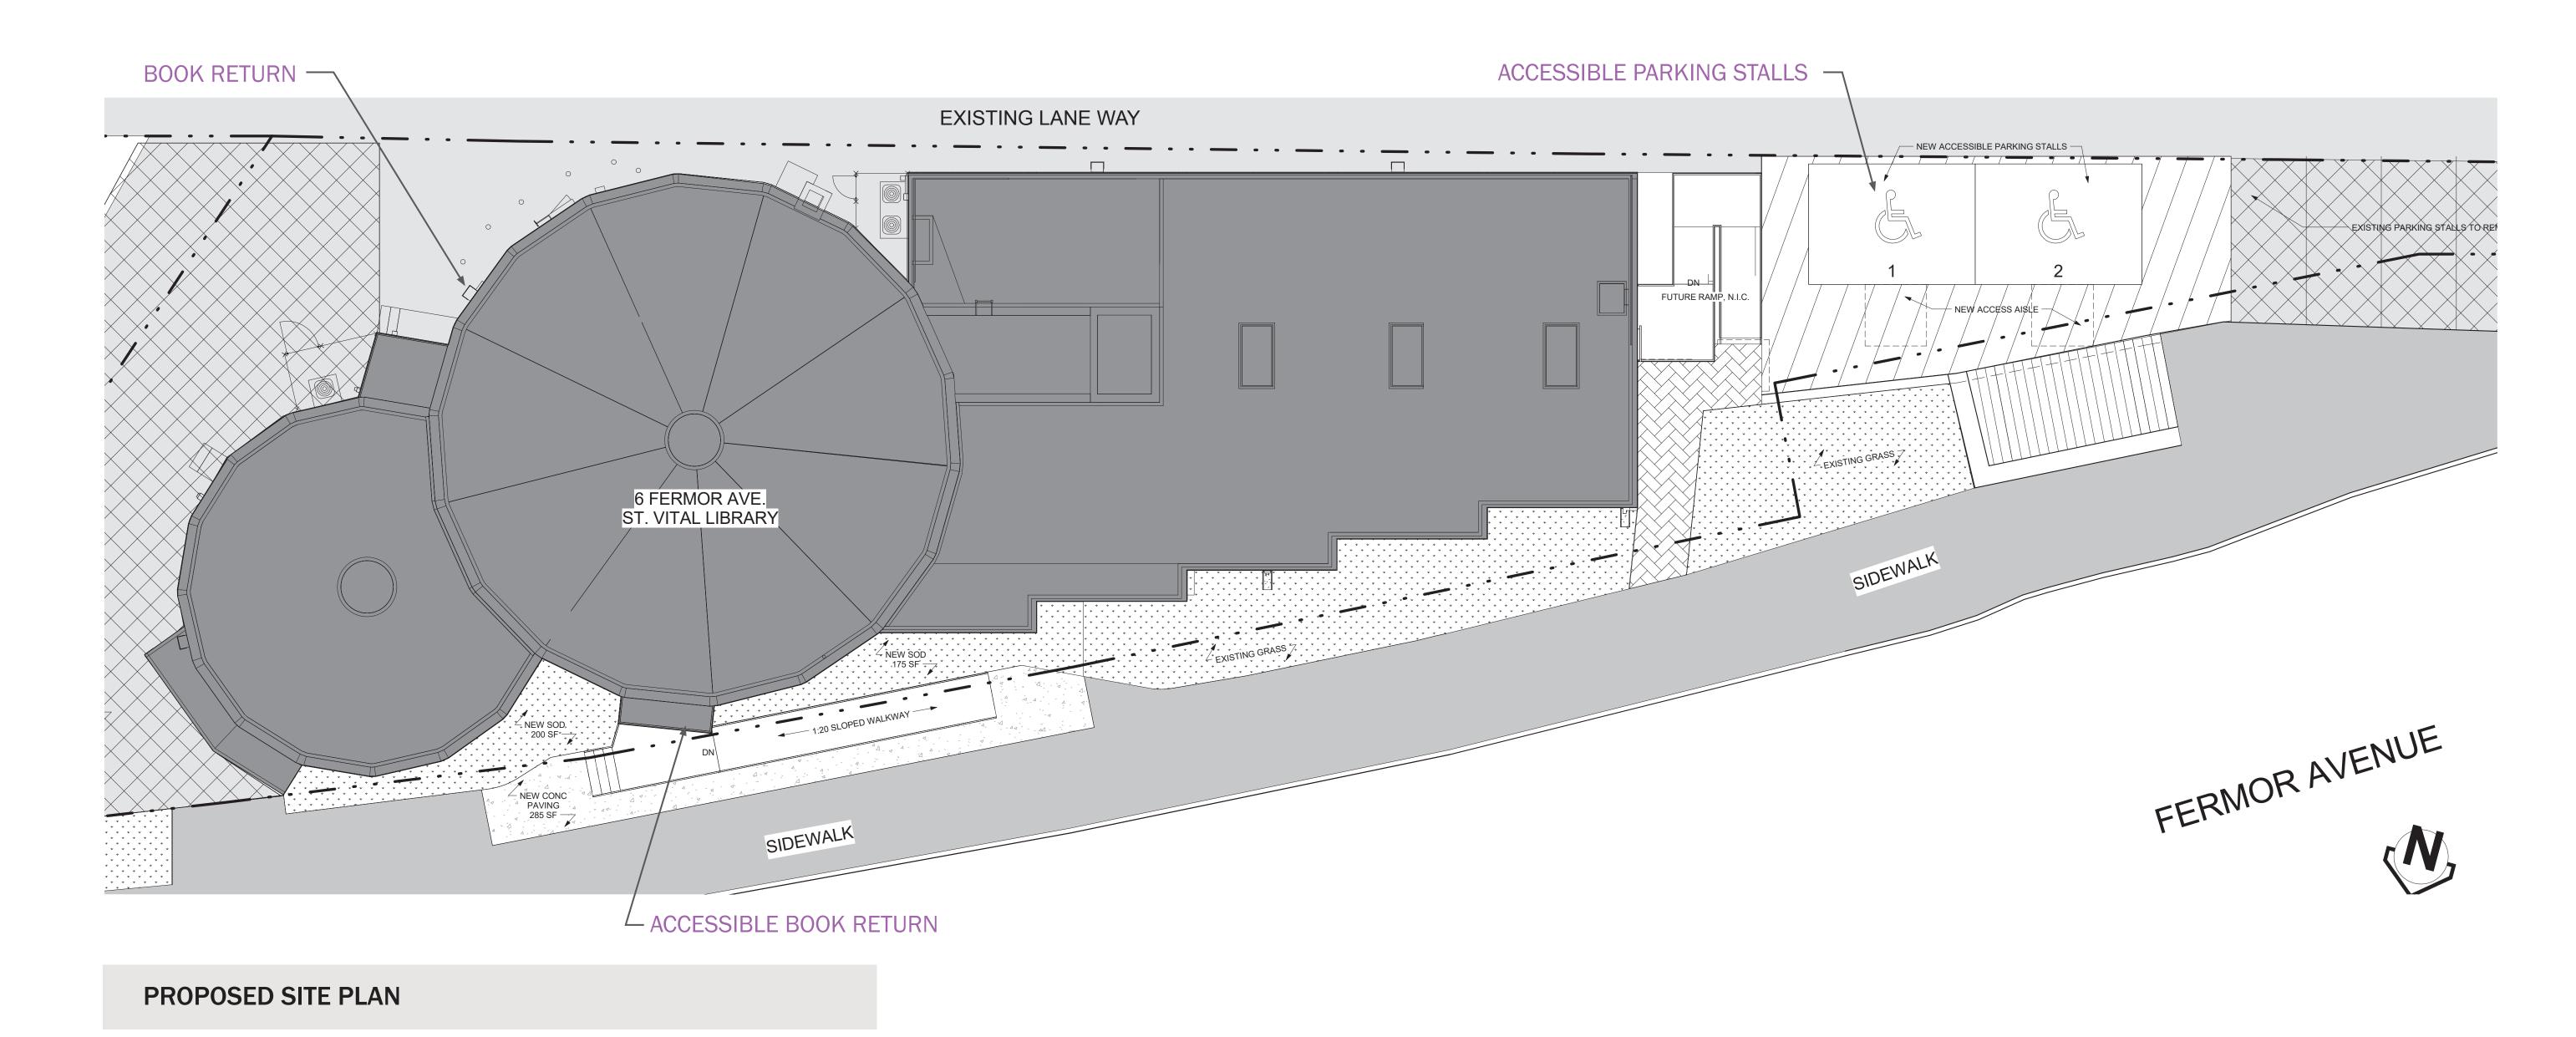

PROPOSED ENTRANCE STAIR & RAMP

St. Vital library is located at 6 Fermor Ave. across from Glenlawn Collegiate and the YMCA Winnipeg. The 2016 renovation will require the removal of the existing ramp for replacement with an accessible sloped walkway compliant with the City of Winnipeg Accessibility Design Standards.

A new book return will be provided at the front entry of the library. An additional book return that can be used 24/7 will be created on the south side of the building adjacent to the lane near the east parking lot. The new book return will serve customers who need to return books, but not necessarily enter the library.

Parking will be modified on the west side of the library to provide two accessible parallel parking stalls with a new access isle. The existing 17 standard parking stalls will remain on the west side of the library. Parking on the east side will not be changed.
