

COMPUTERS & READING NOOKS:

MAIN FLOOR ADULT & CHILDREN'S COMPUTERS

EXISTING NOOK WITH BOOK STACKS (ALONG NORTH WALL)

PROPOSED ADULT COMPUTERS

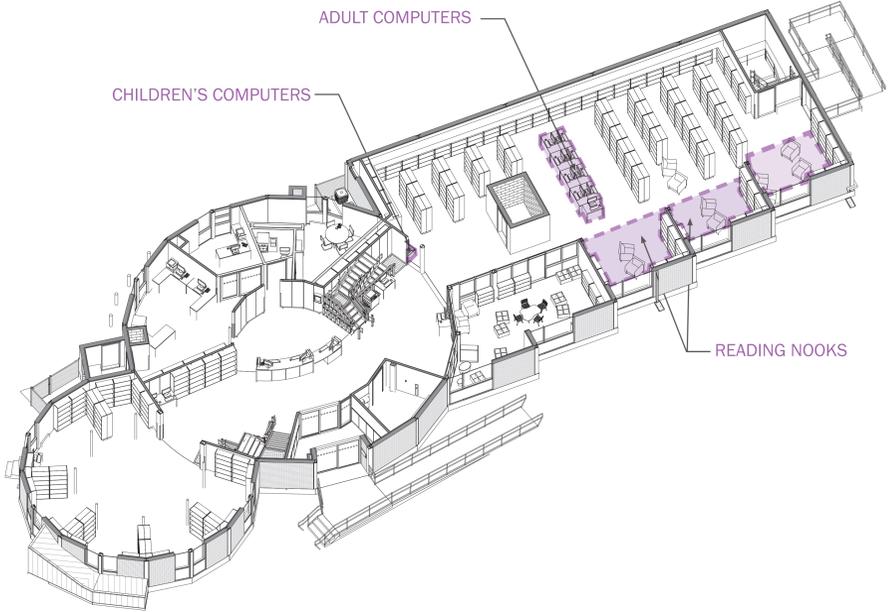

PROPOSED CHILDREN'S COMPUTERS

Currently, computers are located on the main and mezzanine areas of the library. A bank of eight computers will be located in the areas behind the elevator, increasing the total number of computers. Children's computers will be located nearby in an area in front of the elevator.

Three reading nooks will be created along the north elevation of the building, each with windows to allow for natural light.
